

## **Patient Advocate Foundation**

A national 501 (c)(3) non-profit organization that provides case management services and financial aid to Americans with chronic, life threatening, and debilitating illnesses.

## **Advocacy Curriculum**

Empowers learners to champion equitable and patient-centered healthcare. Participants learn to advocate effectively for individual patients and themselves, ensuring their rights, preferences, and needs are met within a culturally competent healthcare system.

## **Advocates in Action Podcast**

Host Ashley Danyel Freeman highlights powerful stories of patients, providers, and caregivers fighting for equitable, affordable, and quality healthcare.

## **Education Resource Library**

Provides straightforward information in a variety of formats to help you make informed decisions throughout your healthcare journey.

## **National Financial Resource Directory**

Quickly generate a list of national and regional resources dedicated to improving access to quality care and decreasing the financial burden of medical treatment.
